

**Hannah Murfet, MSW/MPH
Grants and Data Manager**

Hannah Murfet serves as the Grants and Data Manager for Street Grace. She holds dual master's degrees in social work and Public Health from the University of Georgia, bringing both clinical and program evaluation experience to her role.

Hannah collects data from Street Grace's programs to inform decisions, monitor effectiveness, and communicate impact to stakeholders. She stays abreast of federal and state initiatives to combat human trafficking and pursues funding opportunities that allow Street Grace to continue its role as a leader on a national level. Hannah believes data is a critical component to innovation and evidence-based work and is proud to contribute her skills to support the mission of Street Grace.

Hannah is a licensed clinician and has experience working with women and children who have endured trauma and addiction. Living in Peachtree City, Hannah enjoys the golf cart-life with her husband and 2 young children.

About Street Grace:

Street Grace is a faith-based organization that utilizes evidence-based demand reduction strategies to eradicate the Commercial Sexual Exploitation of Children (CSEC) through **prevention, protection, policy and pursuit.**

CSEC is sexual activity with a child in exchange for something of value given to the child or a third person.
