Desarae serves as the Care Coordinator for Street Grace in Georgia and Tennessee. She graduated with a bachelor's degree in social work and a master's degree in psychology. In her early stages, Desarae began her assistant teacher role for elementary public schools when she first learned her passion for children.

Desarae began her career early as an Intake Social Worker and later moved on as a care coordinator for children where she worked for many years to ensure that the physical, mental and well-being for at risk children and teens were met.

Desarae has 10+ years of case management experience which she gained during her career as an Intake Coordinator. She was able to help facilitate a Behavior Health Camp which gave inner city children struggling with behavior and mental health issues a safe haven and a place to where they could get away from daily struggles as well as learn ways to cope with their issues.

Desarae believes that if "you can't help 100 people, you can at least help one"...and is dedicated to making a change in the community.

About Street Grace:

Street Grace is a faith-based organization that utilizes evidence-based demand reduction strategies to eradicate the commercial sexual exploitation of children (CSEC) through **prevention, protection, policy, and pursuit.**

CSEC is sexual activity with a child in exchange for something of value given to the child or a third person.
